

Donations for Cancer Research

Tuesday, 18 September 2007

Gateway for Cancer Research

www.gatewayforcancerresearch.org

The Gateway for Cancer Research is a unique not-for-profit organization that spends 99 cents of every donated dollar on cancer research programs. Donate today and help make a meaningful impact on those battling cancer.

Online donations are quick and easy using Visa, Mastercard, American Express or Discover on PayPal's secured site. It might take a few moments to transfer to the PayPal site because the link is encrypted for your security! If you don't see the amount you'd like to give, you can submit multiple donations that will add up to that amount without any problems.

You can also send a check directly to Gateway using the following address. PLEASE reference "Rick Walks America" on your check in the memo section! Make checks payable to Gateway for Cancer Research.

Gateway for Cancer Research

1336 Basswood Road

Schaumburg, IL 60173

Thank you!
